Faithful Friends Animal Sanctuary

May 2010

Ground-breaking soon!

We are so close to signing a contract with our builder — just got to dot our i's and cross our t's. The ground-breaking announcement will be coming very soon!

\$100,000 Matching Donation!

An anonymous donor has pledged to match our donations up to \$100,000! We need every penny you can spare to get the sanctuary up and running. Please join this animal lover in helping us raise the funds needed to build!

Woodson Foundation gives \$25,000!

The Margaret C. Woodson Foundation has given FFAS a grant of \$25,000 to use for construction. This is the third year we have benefitted from their generosity, and we are extremely grateful!

Spayathon, May 18 and 19 Only \$30 per cat!

Our goal is to spay and neuter 100 cats on these two days! The Humane Society of the Piedmont will transport up to 60 cats from the Outback Steakhouse parking lot at 1020 East Innes St. in Salisbury to their clinic in Greensboro on Tuesday morning, May 18, to be altered. These will return the morning of Wednesday, May 19. A second transport

of up to 60 cats will leave that same morning, and return the morning of Thursday, May 20.

Kittens must weigh at least 3 lb.; male kittens must have descended testicles. Feral cats must be in traps, not carriers, and will be ear-tipped. There is no additional charge if the cat is pregnant or in heat.

A rabies vaccination is required by law. We'll need a copy of the rabies certificate, or the shot can be provided at the clinic for \$8.

Other services available:

Distemper and leukemia vaccinations: \$8 each

FIV - leukemia testing: \$18

Microchip: \$18

Nail trim: Free!

To sign up, call 704 633-1722.

Pick of the Litter Yard Sale

Our annual Pick Of The Litter Yard Sale will take place **Saturday, May 15**, at the former K-Town Building, corner of N. Fulton St. and W. Innes St, from 8 am to 1 pm. Thank you, St. John's Lutheran Church, for letting us use the building!

We can pick up your bulk items one week prior to the sale. We will also accept drop-off donations at the facility on Saturday and Sunday, May 9-10, from 10 am-5 pm, and Monday through Friday, May 10-14, from 4 pm - 7 pm. Please bring your aluminum cans and Christmas lights for us to recycle. Donations of cat and dog food, and kitty litter are also welcome.

Upcoming Events

Saturday, May 15. Pick of the Litter Yard Sale

Tuesday and Wednesday, May 18-19 Cat Spayathon

Sunday, May 16. Kannapolis Intimidators Bark in the Park. Bring your dog to the game!

Saturday, June 19. Caniche is planning an event. Please check our website for updated information.

Saturday, July 31. Coffee, Cookies and Cuttings. Jean McCoy again invites us to cut bouquets from her 3-acre flower garden. \$10 donation for a gallon bucket; \$25 for a 3-gallon bucket

Our K-9 Valentine, Little Joe; our feline miracle, Thad; my kitty work partner, Tabby; and our girl for 8 years, Boyanna, by Todd and Mary Shinn

In memory of Siam, our feral cat...

What a tough life she had... cold, rain, snow and mean humans...she was able to get through them for several years, and even had beautiful kittens... blue eyes, and we were able to get them adopted.

She accepted the fact that we worked in her home area, and allowed us to get close to her...food and water helped.. and she found a nice porch to use when it was stormy.

But alas, she was found dead in the parking lot of WaterWorks probably trying to crawl back to a place she found comforting and safe... did someone poison her? If so, you may have killed her but her spirit remains... you can't destroy that.

We miss this courageous Mother Cat and we respect her decision not to be trapped and spayed.

Rest in peace, Siam...you are missed.

Lessons from Katrina

In the next two months, Faithful Friends, Rowan County Animal Control and the Humane Society of Rowan County will hold a joint public meeting to go over our county's disaster plan for pets. It will be announced in the *Salisbury Post* and on our web site. At that time, volunteers will be asked to sign up for specific locations where pets will be held during a disaster. Mother Nature has not been very happy with us lately—this may be the year we need to be ready!

Pet Safety

Pets depend on us for their safety and well-being. If you must evacuate, the most important thing you can do to protect your pets is to **evacuate them with you**. Remember that pets can react differently under stress, so be sure to have your dogs securely leashed and transport your pets in carriers. Bring pet food and any medications with you.

Do not leave your animals unattended where they can run off, and don't turn them loose during an emergency. The most trustworthy pets may panic, hide, try to escape, or even bite and scratch.

Be sure that your dogs and cats are wearing collars with up-to-date rabies and identification tags that are securely fastened. Keep their vaccination records with your other important papers. Consider having your pet microchipped in case your pet become loose and loses his or her collar or tags.

For more info on how you and your family can prepare, go to readyrowan.com.
